Designed by Richard Frinier for Brown Jordan, ELEMENTS was created to bring thought to what can be achieved using the various elements of good design and stylish forms. Uniquely shaped and artfully crafted pieces, combining a new, hand-woven and simulated mohair-textured Resinweave with powder-coated aluminum frames, set the stage for functional and flexible exterior and interior spaces.

Above image shown in Laurel finish with Moca Resinweave. Dining table shown in Laurel finish with Moca Resinwood top.

Flight Cushion available in all finishes. Cushions and pillows available in Suncloth fabrics.
Flight Sling available in all finishes. Available in Versatex sling.
FLIGHT offers elegance with casual sophistication. Its clean lines and modern flares are constructed in cast and extruded aluminum. The arm and side chair stack up to 4 while the chaise stacks 3 high. The innovative use of materials, advanced engineering, and thoughtful design allows Brown Jordan to introduce a collection that is the perfect synthesis of classic and style with a modern twist.

Kantan Aluminum is available in all finishes. Available with 1" Suncloth lace or 1" vinyl lace.
Designed by Tadao Inouye, KANTAN Aluminum exemplifies the breezy spirit of southern California, the birthplace of Brown Jordan and year-round outdoor furniture. This collection’s graceful frame is offered with 1” Suncloth lace or Vinyl lace. Kantan has been brilliantly reinvented in natural brass with resilient Suncloth straps that conform to the body to provide comfort and support. Kantan is a chic choice for any outdoor or casual setting, from a poolside patio to the deck of a beachfront cottage.
Kantan

The Oscar Collection

designed by Ann Marie Vering
OSCAR, a collection designed in collaboration with Ann Vering, offers a sophisticated indoor-outdoor aesthetic, and pays a homage to the brand’s beginnings in 1945, through its materiality, innovation and craftsmanship.

Above: Sofa, Lounge Chair and Table frame in Dove Light Grey, rope in Pebble, textile in Castaway, Table top in Keon.

Parkway

designed by John Caldwell
Inspired by the golden era of Modernism, PARKWAY conjures images of a stately past. A broad, flat extrusion creates a smooth, pleasing touch and complements the frame’s lengthy, slender profile. The arms are crisply bent into a rectilinear profile reminiscent of the geometry prominent during the heyday of modern design.
Parkway Cushion

Available in all finishes. Cushions available in Suncloth fabrics.

Bottom right image shown in Titanium finish with Capri cushions; pillows in Sea Salt with Granite welt and Granite with Sea Salt welt.
PARKWAY CURVILINEAR provides a modular seating option to coordinate with the popular Parkway Sling and Cushion collection. A right or left arm facing loveseat, an armless chair, a 60-degree ottoman, and a 90-degree module can be positioned to form a circle or a variety of sinuous shapes. Cushions are finished with an exclusive rod insert that eliminates the need for snap tabs, resulting in a clean, refined appearance. Plush, tailored cushions complete the look.
Available in all finishes. Cushions available in Suncloth fabrics.

Pasadena/Wave tables are available in all finishes with Aluminum or Glass tops.
A nod to mid-century design and the birthplace of Brown Jordan Company, **PASADENA** defines understated sophistication with its sleek profile. The collection frame features a smooth, flat aluminum extrusion that is gently curvilinear. Sweeping lines seen on the arms and back legs highlight the beauty of the chair’s construction.

QUANTUM raised the bar and set a new standard for the casual furniture industry. A contemporary classic, Quantum has garnered international acclaim, including trade and industry award honors. Fluid lines and contoured mesh seating are the distinguishing characteristics of this design - a specification favorite of architects and interior designers.

Swim

designed by Richard Frinier
SWIM represents a fresh, light and sporty perspective for outdoor and casual living spaces with its linear profile made of powder-coated aluminum frames and Versatex mesh taut sling upholstery. Its overall clean lines and simple angular detail of the backrest energize the spirit suggesting both movement and activity even at rest.

Available in all finishes. Cushions and pillows available in Suncloth fabrics.
VENETIAN’S refined silhouette is highlighted by timeless Neoclassic details. The x-back and cross-stretcher are framed by elegantly scaled rectangular lines, including a subtly flared and contoured back. Gracious spiral volute details at the end of the arms, architectural banding details on the legs, and the cross-stretcher are proportionately placed to enhance the overall balance. Venetian easily accents eclectic living scapes that require a more formal design presence.

- Solid (SO)

**Glass Tops**
- Clear (C)
- Smooth Rough (SR)
- Solar Grey (SG)

Pasadena/Wave tables are available in all finishes with Aluminum or Glass tops.
The WAVE collection is entirely innovative for its broadly proportioned silhouette and welcoming design. Constructed in extruded aluminum, its contoured seating surfaces twist in a ribbon-like profile, giving the chair a sense of motion and enhancing its sinuous shape. With its ergonomic seating, Wave conforms not only to the range of human shapes and weights, but also to movement.

brownjordan.com
Available in Bronze Resinweave. Cushions available in Suncloth fabrics.
The modern look of FUSION successfully blends the cultural elements of European materials, American design, and Asian craftsmanship. This innovative and contemporary design evokes an attitude of couture furniture while its bold profile generates international appeal. Accented by molded pedestal feet, like the heel or platform of a designer shoe, Fusion features a uniform and textural pattern that weaves the entire form into a solid structure.

Southampton

designed by Richard Frinier
SOUTHAMPTON from the Richard Frinier Collection for Brown Jordan is destined to become a new classic. Inspired by the beautiful architecture and lifestyles of the famous seaside colony known as “the Hamptons,” this design is timeless for its artfully hand-woven and transitional styling in the natural, dry grass and marsh colors of Sage and Seagull.

Drift

designed by Richard Frinier
In collaboration with internationally acclaimed and award-winning home furnishings designer, Richard Frinier, Brown Jordan introduces a new teak collection called DRIFT. Drift inspires the desire to slow down, drift and dream in both thought and spirit. Its soft-modern silhouette and superior craftsmanship are defined by its low-profile and understatedly elegant and sophisticated form. Plantation-grown Teak in Natural and Driftwood finishes complemented by chic twill fabrics in soothing colors complete this compelling design.

Calcutta
designed by John Caldwell
CALCUTTA is a re-introduction on a grander scale of Calcutta, originally designed in 1967 by Hall Bradley. Inspired by the design themes of Chippendale furniture, Calcutta features cast bamboo patterns on the seat and back, while tapered legs and a lower x-stretcher continue the exotic bamboo pattern. Appropriate for indoor formal dining as well as outdoor use, the Calcutta collection includes dining and deep seating pieces, as well as cast top tables in various sizes.
The Oscar Collection

Fremont Sling available in all finishes. Available with Versatex sling.
Brown Jordan introduces **FREMONT CUSHION** and **FREMONT SLING**, a new collection that blends modern simplicity with formal elegance. Designed for outdoor use in any climate, Fremont’s finely crafted powder coated aluminum frame is virtually impervious to the elements. Fremont speaks to our customers’ desire for luxury, function and ease, and demonstrates Brown Jordan’s exceptional fluency with aluminum.
