Ebel, Incorporated has a reputation for providing quality outdoor products at an unparalleled value.

Founded over 30 years ago, we still hold to the same set of family values today. We are continually inspired to offer you sophisticated pieces made with uncompromising craftsmanship.

From first sketch to final production, Ebel, Inc. gives you durable products and versatile collections. And in these unique times, the safety and special care of your family has served as our creative inspiration. Our family is here to help you build a comfortable, serene space where your loved ones can relax together.

We are pleased to present 13 collections for 2022 – each one proves that you don’t have to compromise design for comfort and dependability. The new collections all showcase Ebel’s commitment to quality, comfort, and environmental responsibility.
When you purchase an Ebel product, you get more than just great designs and high-quality craftsmanship.

Since 2007, Ebel has partnered with Trees for the Future.

Trees for the Future operates in degraded and deforested regions, tackling climate change and world hunger. Farmers are trained to sustainably revitalize their land. This provides sources of food they otherwise would not have access to. Through TREES’ Forest Garden Approach, farmers plant thousands of trees that provide protection and nutrition. Their gardens and soil are restored through nitrogen fixation.

This helps farmers grow a variety of fruits and vegetables. Forest Garden farmers gain increases in income and food security, even in the first year.

Antibes Cushionless

Lazy Luxury

Just like our original Antibes collection, the Antibes Cushionless Club Chair is constructed of a lustrous aluminum frame with a sophisticated & stylish open weave pattern. The all-weather wicker appears to be borrowed from an old leather chair and sits just as well - no cushion required. Luxury comfort and sleek design meets low maintenance.

Mia Sectional

Magnified Comfort

We’ve expanded our Mia collection to include this modular and spacious sectional. Each deep, sleek section is designed for optimal relaxation, and is customizable for different sized spaces.

Bellino Round Fire Pit

With Offset Burner

The Bellino Round Fire Pit is constructed of a powder coated aluminum frame with a smooth finish that resembles concrete. The offset, adjustable burner combines the best of both worlds - making it possible to either warm those that gather around it or simply provide cozy lighting for a relaxing evening. Fashion and function, at its best!

Taos & Trevi Fire Pits

Now Available In Graphite

Our timeless Taos and Trevi fire pits can now be seen in the Graphite finish. That includes all of the existing pits and our brand new Trevi XL Fire Pit. An exciting expansion of options for any luxurious locale and design preference.

Care & Warranty

Not only is Ebel’s outdoor wicker a relief on the environment, but it’s also a breeze to maintain. This 100% weatherproof polyethylene weave allows for quick and easy cleaning with household cleaners.

Ebel cushions and pillows are warranted for a period of one year.

Cushions should be dried prior to storage to avoid mildew and cleaned professionally if heavily soiled. Enjoy years of comfort and satisfaction knowing Ebel’s 15 Year Limited Warranty covers any defects in materials or workmanship.

The full warranty is detailed in the dealer price list. Warranty exclusions consist of damage caused by acts of nature, unreasonable or abusive use, broken glass, spline that has been cut, and improper care or maintenance. Do not hesitate to contact your local dealer with any questions concerning the warranty or any Ebel products that interest you.

With Ebel, you receive not only the satisfaction of helping the environment, but also the reassurance that you’ll be able to do so for years to come.
