The year 2021 marks an important and exciting milestone in Ledge Lounger’s lifespan: our 10th anniversary. The celebration starts within the pages of this catalog, highlighting a decade of innovation and growth, and we are thrilled to have you join us for the occasion.

10 years would be worth commemorating in any time, but the past year gave us all the unexpected gift of reflecting more and approaching life through a new lens. In this reflection we think of you, our loyal customers who have blessed us with the strong roots we needed to navigate the obstacles of 2020 and the privilege to create and embrace outdoor spaces in a time when everyone needed it most.

We recognize and appreciate the role our products play in shaping environments to escape, relax, and unwind for our customers and their families. In 2021 we will continue our promise to make products with high-quality materials and exceptional durability while striving to create the most meaningful outdoor experiences for you. Our first big step into the future will be the opening of our new headquarters - complete with our first ever showroom! We are eager for the chance to connect with you in this new space and hope you will stay tuned for the continued celebration of this anniversary throughout the year.

Celebrating this milestone wouldn’t be possible without our loyal customers, designers, pool builders, homeowners, friends, and family that support our mission and values. We are so grateful for your enthusiasm, feedback, and loyalty.

PAST, PRESENT, AND FUTURE:

OUR INSPIRATION STARTS WITH YOU

From the Ledge Lounger family to yours,
Cheers to many more years!

SLIDING OUR WAY TO INNOVATION

One afternoon, our product development team ventured out to a resort to observe poolgoers interacting with our products. (Yes, we get to call an afternoon at the pool “work.”)

We noticed something that surprised us. Rather than laying on the Chaise, the way it’s typically used, a handful of kids were using its curves as a slide. We watched as they entertained themselves for hours, and realized they might be onto something. Their inventive approach inspired the Signature Slide; designed so adults can take back their seat for lounging, and kids can enjoy uninterrupted play on the pool’s ledge.

NOT YOUR AVERAGE ADIRONDACK CHAIR

When developing our Mainstay Collection, we were focused on introducing the perfect Adirondack. We examined every facet of the design and history of this classic chair. We were relentless about making an elevated and unique design because the world doesn’t need just another Adirondack chair. Our obsession was rewarded with this modern, seamless, and virtually indestructible Mainstay Adirondack.

A LOOK INSIDE: CUSHIONS AND PILLOWS

Wet, dirty, or moldy cushions can quickly ruin a day spent outdoors. Our cushions and pillows, made in-house by a dedicated sewing team, are over-engineered to ensure year round, uninterrupted use.

By using marine grade fabrics, crushed fast-dry foam, and sealing it all together with stainless steel hardware, we ensure outdoor time is uninterrupted and cushions remain ready to use.

FAST DRY CUSHIONS
Spend less time cleaning and more time relaxing on fade-resistant, mold-free cushions. Our open-cell foam and high-quality fabric dries quickly and cleans easily.

BLEACH CLEANABLE
Our pillows and cushions are rugged enough to hold up against outdoor elements and harsh chemicals, while maintaining a comfortable and relaxing feel.

COMMERCIAL GRADE
This furniture can be seen in the most high-end resorts around the world. That’s because we only use materials suitable for commercial environments.

HANDMADE IN THE USA
From concept to design to manufacturing, every Ledge Lounger product is made with pride in the United States of America.

REPLACEMENT CUSHIONS
All Ledge Lounger cushions are available for individual purchase. Please contact your sales representative.

Safety first, last, and always, that’s why our Umbrella Collection has been rigorously tested to withstand high-winds like those experienced in rooftop environments.

**HIGHLY CUSTOMIZABLE**
Your experience is unlike any other, and your pool scene should be too. Customize your furniture with unique color combinations, embroidery, monograms, and custom engraving.

**WEATHER ENDURING**
Made of solid, sturdy, high-density resin that withstands the sun, wind, and the harshest elements of any outdoor environment.
