# LINDA HOGELAND

November 8, 1954 - November 4, 2022

## **Meadowcraft Family**

Dedication. This is the perfect word to describe the essence of Linda Hogeland. Linda worked in the sales industry for over 50 years. For the last several years of her life, she served as Vice-President of Sales & Marketing for Meadowcraft.

Linda would work long hours, weekends, and holidays to ensure that each of her customers got the attention they deserved. She poured herself into every show that was attended and every sale that occurred and agonized over every pricing to ensure her customers were getting the best possible experience. She was the best example of Southern charm. She never met a stranger, and you often heard her say “Honey, sweetie, or sister” when talking to someone. Everyone was always treated with dignity and respect when she was around. She had the biggest, most tender heart any one person could have. There was only one thing that overshadowed her dedication to the job, and that was her love for her family. She loved her family passionately and adored her nieces and nephews. Through the cute stories, pictures, and videos she would share with her co-workers, her family quickly became our family. Finding anyone with more dedication, loyalty, and commitment than she had would be an extremely difficult task. Although she may be gone, she will forever remain a part of Meadowcraft and occupy a special place in our hearts. It was indeed an honor to have known her. Linda will forever be in our hearts.

### **Gary Moretti**

Linda had a great passion for all product. Her greatest passion was comfort. Linda will be greatly missed by everyone.

### **Tee Dean**

What I will remember most about Linda was her passion.....for her dealers, for the Brand, and for all things wrought iron. She was a good leader and a great friend. She loved her family. I can remember traveling with her (because we ALL had to have management travel with us...) and she would be on her phone with her Mom, or other relatives. She took her nephew under her wing when she became a REP instead of a manager, and she taught him all that she knew about selling. And, as Rory Rehmert once said on a conference call with the reps, Linda went after business in a way that we should all follow.....she had sold Meadowcraft to some GAS STATIONS!!!! Linda gave her all...and we are all better for having known her.

### **Rory Rehmert**

When I first met Linda, she was in sales administration. Over the years, she grew into becoming the national sales manager and did a fantastic job! Her passion for the brand and the industry was incredible. Linda always valued the relationships that she grew through the years and demonstrated her ability to manage all aspects of the business.

### **Bob Ryan**

Linda was a great lady that had an unmeasurable commitment to Meadowcraft. She even went to work on her last day with us, which breaks my heart thinking about it. Linda was there when you needed her, even while she was eating lunch, a couple times I caught her because of the time change. Linda had a kind soul and everyone she came in contact with liked and trusted her.

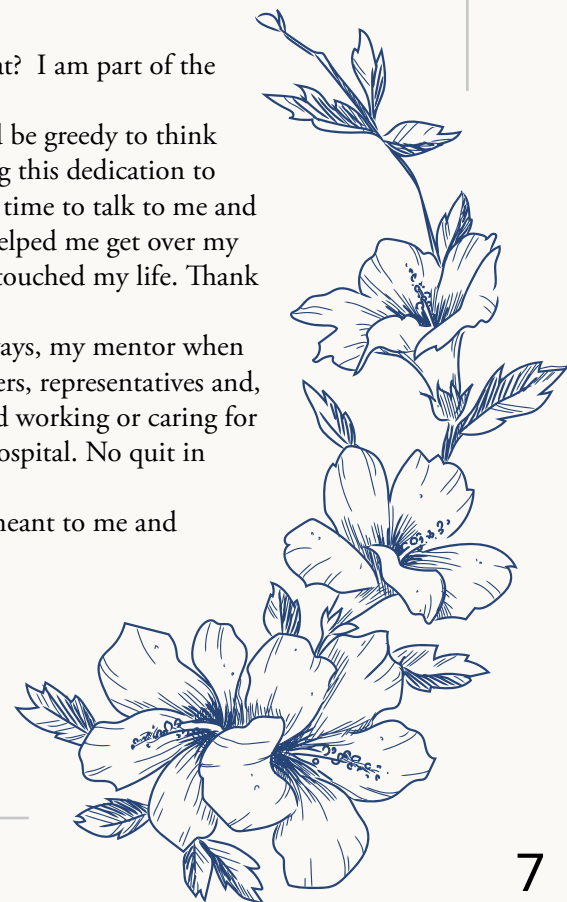

### **Chip Foster**

I am alone in my office with no one around. Why do I mention that? I am part of the generation that men don't cry, at least not in public.

Linda Hogeland. I personally am not over the loss of Linda. I would be greedy to think that I am the only person that feels this way. In the process of creating this dedication to Linda, I was fortunate to talk to a lot of Linda's friends who took the time to talk to me and tell me their wonderful times with Linda. And I thank you all. You helped me get over my pain/loss of one of the kindest, passionate personalities that has ever touched my life. Thank you, Tee Dean. You made me laugh instead of crying.

I knew Linda for about 20 years. She was my friend and, in many ways, my mentor when it came to passion and dedication to the Meadowcraft name, customers, representatives and, quite frankly, the thousands of people she touched. She never stopped working or caring for her customers. Tee told me she even had her laptop with her in the hospital. No quit in Linda Hogeland.

I miss her and I always will. If I could have only told her what she meant to me and how much I love her when I had the chance.

Please contact your sales representative to obtain a finish sample.

### MIG WELDED FRAMES

Frames aren't bolted together, they're welded. Because of the welding process we use, the final weld has more strength than the materials that it holds together.

### E-COAT PRIMER SYSTEM

Frames are electrostatically primed, resulting in four times greater corrosion resistance and more uniform paint adhesion.

### POWDER-COATED FINISH

Meadowcraft uses ultra-durable powders to ensure durability and long-lasting beauty.

### GOT IT COVERED

E-coat primers are applied using a dip process, similar to that of the automotive industry, to ensure that every surface is primed to Meadowcraft's exacting standards.

### FURNITURE GLIDES

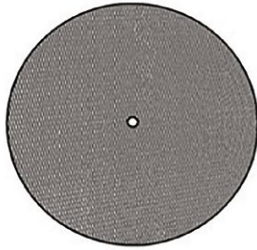

Each leg is capped with a metal foot, which holds a replaceable furniture glide to protect your outdoor surfaces.

### FRAMES ARE CLEANED

Frames are cleaned to remove weld spatter with a hammer and chisel, and/or hand grinders. The utmost care is taken to ensure that each product is beautifully made.

## HOW TO MAKE A WARRANTY CLAIM

To make a warranty claim, contact customer service by calling 256-530-2692. Please be sure to have your receipt and a photo of the issue for quick processing of any warranty claim. Photos help us ensure problems are quickly diagnosed and properly taken care of. Prior authorization from the factory is required for product returns. If the complaint is found to be covered by warranty and is returned within 12 months of date of purchase or 24 months from the manufacturer's date of delivery to the dealer, Meadowcraft will, at its discretion, pay reasonable freight charges on the replacement product. The consumer is responsible for freight to and from the factory, if beyond the time frame stated above. Returned products must be repacked for pickup.

This warranty does not apply to any damage caused by shipping, misuse, abuse, accidents, alternations, acts of God, or unauthorized repairs made by anyone other than Meadowcraft. No other person is authorized to assume liability on behalf of Meadowcraft and, in no event, will Meadowcraft be liable for subsequent or contributory damages as it relates to its furniture. Except as expressly stated herein, Meadowcraft makes no warranties whether express or implied, including but not limited to, warranties of use of goods for a particular purpose. ## MEADOWCRAFT WARRANTY - RESIDENTIAL USE – LIMITED WARRANTY

All warranties apply to the original end user only and are non-transferable. This warranty becomes void if product is used in a commercial setting. For commercial applications, please visit [www.meadowcraft.com](http://www.meadowcraft.com). Proof of purchase is required with all claims. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

### FRAME

Meadowcraft offers a 20-year limited structural warranty on the frame for all Meadowcraft wrought iron products when properly maintained in ordinary home use. Meadowcraft will, at factory option, repair or replace any Meadowcraft furniture for which the frame has failed structurally during normal residential use. This warranty is void if the furniture is used in a non-residential environment and/or has been misused, abused, or altered in any way. The warranty also becomes void in the event the furniture has been damaged or destroyed by acts of God. Meadowcraft reserves the right to repair or replace a frame or material in a similar color or frame should the warranty product be discontinued.

### FINISH

On furniture frames manufactured for residential use, Meadowcraft offers to the original end use purchaser, commencing as of the date of purchase, a 3-year limited warranty on paint finishes, exclusive of any warranties on furniture to be used within one (1) mile of any coast or around a salt-water pool for which no warranty is provided hereunder, as salt-water environments are inherently destructive to outdoor finishes under such conditions. In such conditions, to extend the life of the finish, Meadowcraft recommends you wash the furniture weekly and apply wax at least once a month. This limited warranty covers against blistering and peeling of the frame finish under normal use and proper maintenance. Meadowcraft will, at factory option, refinish or replace a Meadowcraft product if the above conditions occur. Occasional spot rust from crevices and hidden unfinished surfaces inherent in some designs is considered normal and is not considered a failure in finish.

### CUSHIONS

Meadowcraft offers a 1-year limited warranty on all Meadowcraft cushions. This warranty covers the construction of the cushion and its use under normal residential use only. Meadowcraft will, at factory option, repair or replace any Meadowcraft cushion that fails. This warranty becomes void if the cushion is used in a non-residential environment and/or if the cushion has been misused, abused, or altered in any way. The warranty also becomes void in the event the cushion has been damaged or destroyed by acts of God. This warranty does not cover the fading of a particular fabric.

### UMBRELLAS

Meadowcraft offers a 90-day limited warranty on all Meadowcraft umbrellas. This warranty covers the construction of the umbrella and its use under normal residential use only. Meadowcraft will, at factory option, repair or replace any Meadowcraft umbrella that fails. This warranty becomes void if the umbrella is used in a non-residential environment and/or if the umbrella has been misused, abused, or altered in any way. The warranty also becomes void in the event the umbrella has been damaged or destroyed by acts of God. This warranty does not cover the fading of a particular fabric.

## MEADOWCRAFT WARRANTY - COMMERCIAL USE - LIMITED WARRANTY

### FRAME

On frames manufactured for commercial use, Meadowcraft extends a 5-year limited warranty to the original end use purchaser, commencing as of the date of purchase, as a sign of our dedication to the highest possible quality standards. The warranty is non-transferable and is designed to cover the furniture under normal commercial utilization. This warranty is void if the furniture has been misused, abused, inadequately maintained, or altered in any way. This warranty also becomes void in the event the furniture has been damaged or destroyed by acts of God. The extent of the warranty is to cover the material and/or workmanship of the furniture frame and welds. This warranty does not apply to umbrellas, cushions, alternative tops, or fabrics which may be associated with, or sold in conjunction with, the furniture.

### FINISH

On furniture frames manufactured for commercial use, Meadowcraft offers to the original end use purchaser, commencing as of the date of purchase, a 3-year limited warranty on paint finishes, exclusive of any warranties on furniture to be used within one (1) mile of any coast or around a salt-water pool for which no warranty is provided hereunder, as salt-water environments are inherently destructive to outdoor finishes under such conditions. In such conditions, to extend the life of the finish, Meadowcraft recommends you wash the furniture weekly and apply wax at least once a month. This limited warranty covers against blistering and peeling of the frame finish under normal use and proper maintenance. Meadowcraft will, at factory option, refinish or replace a product if the above conditions occur. Occasional spot rust from crevices and hidden unfinished surfaces inherent in some designs is considered normal and is not considered a failure in finish.

### CUSHIONS

Meadowcraft extends a 1-year limited warranty to the original end use purchaser, commencing as of the date of purchase, as a sign of our dedication to the highest possible quality standards. The warranty is non-transferable and is designed to cover the construction of the cushion and its use under normal commercial use. This warranty is void if the cushion has been misused, abused, inadequately maintained, or altered in any way. The warranty also becomes void in the event the cushion has been damaged or destroyed by acts of God. This warranty does not apply to fading or discoloration on the fabrics.

### UMBRELLAS

Meadowcraft extends a 90-day limited warranty to the original end use purchaser, commencing as of the date of purchase, as a sign of our dedication to the highest possible quality standards. The warranty is non-transferable and is designed to cover the construction of the umbrella and its use under normal commercial use. This warranty is void if the umbrella has been misused, abused, inadequately maintained, or altered in any way. This warranty also becomes void in the event the umbrella has been damaged or destroyed by acts of God. This warranty does not apply to fading or discoloration on the fabrics.
