Lightweight, stackable, and crafted to perform well for both residential and commercial outdoor areas.

Italian polyolefin-blend rope that's UV-stable, recyclable, and engineered to perform beautifully outdoors.

Clean lines, an airy silhouette, inviting comfort, and evokes sun-drenched terraces and salt-kissed breezes.

# Flight

Designed by John Caldwell

Inspired by the aerodynamic lines of a jet, designer John Caldwell's Flight Sling collection represents a fresh, contemporary take on modernism that's as relevant now as when it was first introduced.

Designed by Ann Marie Vering

Conceived by the visionary designer Ann Marie Vering, captivated by polo - the sport of kings, each curve and contour of Luca is a nod to the elegance of the sport and the simple beauty of nature. Designed to be both visually captivating and supremely comfortable, the attention to detail extends to every radius, every line, and every curve creating a collection that balances industrial design principles and elegant artistry.

# Parkway

Designed by John Caldwell

Inspired by the golden era of Modernism, Parkway conjures images of a stately past. A broad, flat extrusion creates a smooth, pleasing touch and complements the frame's lengthy, slender profile. The arms are crisply bent into a rectilinear profile reminiscent of the geometry prominent during the heyday of modern design.

# Solenne

Architectural slat design forms a sculptural silhouette with refined, modern lines that enhance any setting.

360-degree presence ensures it is striking from every angle.

Warm teak accents introduce natural contrast, balancing structure with timeless materiality.

# Sol Y Luna

Designed by Dan Johnson

A tribute to designer Dan Johnson's iconic Gazelle collection, Sol y Luna captures the sculptural elegance of the original mid-century design—now reimagined in enduring powder-coated aluminum. This modern interpretation preserves the timeless silhouette while embracing lasting performance for the outdoors.
